Remind me to tell you about the valet parking program we invented for our Melrose BID. Used to be that parking could only be provided by covenant or long term recorded lease. We support the business (usually a restaurant) getting a variance which allows the BID to provide the parking on a short term basis. The way we manage the valets in favor of improved customer experience, can keep rates down, and can help the valets achieve financial self sustainability. We got our decision from the bench this AM.

I think all is well for her. I've only heard the rumor and understand LAWA can be a tough organization.

Just ran in to Lisa Trifiletti after I saw you.

Said she is leaving LAWA on Oct 1 to set-up her own consulting business. She seems happy about it. Hope all is ok.

Absolutely not! Aleutians is very dangerous water. (My boat is in sunny MDR.)

An old friend (Visalia PD Sgt) is running recreational trips for an Eskimo tribe there. (I believe that his son is the bush pilot that is taking us from Anchorage to the fishing camp.) I'm going to visit him and experience "a once in a life time fishing trip." Brother in Law is going too. The timing is supposed to be the best combination of reasonable weather and fishing.

Actually, I thought that Brummett's in-laws died near the Farallon Islands near San Francisco, which I understand can also be dangerous. I was working for him when all of that happened.

Taking your new boat?!

Thanks is where Brummett's in-laws boat sank and died!

**Citywide Economic Development Strategy RFP Scope of Work Meeting
Invitation 8-29-16**

Dear Stakeholder:

The Mayor and the City Council have directed the Economic and Workforce Development Department (EWDD) to prepare a Request for Proposals (RFP) for the selection of a consultant to prepare a Citywide Economic Development Strategy (Council File No. [13-1090-S1](#)), as part of an overall effort to establish a Citywide Economic Development Plan (Council File No. [13-1090](#)).

In order to create a robust RFP Scope of Work that contributes to a successful RFP process and economic development strategy, EWDD would like to invite you to participate in a conversation that will culminate in the release of an RFP for a citywide economic development strategy. The strategy should consider the City's tax policies, job creation and training, infrastructure needs, and an analysis of impacts to businesses of all sizes.

You are invited to a meeting with EWDD and other stakeholders on **Monday, August 29, 2016** to contribute to the elements that should be considered for the development of the RFP Scope of Work.

The meeting is scheduled from 8:00 a.m. to 12:00 p.m. and will be held at City Hall, Room 1010, 200 N. Spring Street, Los Angeles, CA 90012.

Please confirm your participation no later than **Thursday, August 25, 2016** to Cathy.Castro@lacity.org or [\(213\) 744-9701](tel:213-744-9701). For parking accommodations please provide your vehicle make, model and license plate number in your participation confirmation email.

Please note that any organization/personnel participating in the development of the Citywide Economic Development Strategy Request for Proposals (RFP), including participation in this meeting, will be disqualified from bidding on the RFP when it is released.

Thank you,

Jan Perry
